Honour thy father and mother both in word and deed, that

Ecclesiasticus 1,2

We, the graduating class of 1991, have chosen to dedicate our yearbook to a very special group of people. As individuals they have touched each of our lives in different ways. From our first uncertain steps as babies to our walk down the aisle at graduation, they have been there to guide and support us. As we leave EHS to move on to our future, their presence will continue to be a strong influence on all of our decisions. To our parents we owe all our hopes, dreams, and aspirations. Thank you for making our future possible.
